

## Otisa invites you to travel El Salvador!

El Salvador, Central America's smallest nation, has a year-round tropical climate, jungle peaks that brush the sky and an assortment of off-the-beaten-path travel pleasures. Maya called it Cuscatlan -- land of precious things -- which for visitors to this beautiful country include dramatic volcanic cones cushioning crystal-clear lakes, picturesque highland towns and villages, and beaches running along a 175-mile-long coast. Many of the major attractions are just a day away from the capital, San Salvador."

Our Destination Specialists are here to help you Monday to Friday, 8:30 a.m. to 5:30 p.m.
