El Salvador a Wonderful Country

El Salvador, Central America's smallest nation, has a year-round tropical climate, jungle peaks that brush the sky and an assortment of off the-beaten-path travel pleasures.

"Many of the major attractions are just a day away from the capital, San Salvador".

Our tour guides provide assistance, information and cultural, historical, and contemporary heritage interpretation to people on organized tours, individual clients, educational establishments, at religious and historical sites, museum, and at venues of other type.

SURF TRIPS

El Salvador cuenta con 307 km de línea costera, la cual ofrece playas con olas perfectas para surfear.

"El Salvador has a 307km coast line full of beaches offering great surf breaks."
